## Chris Hazelton Head Chef, The Rookery Restaurant

“As we come to the end of 2020, we have an chance to reflect on the previous year, and the challenges and opportunities that it presented. One thing I think we’ve all learned is that spending time with family and friends is precious, and we need to make time for it. With that in mind, this year’s festive offering is based around family favourites and warming treats.

As always, we have focused on sourcing the very best local, seasonal produce, including our Scottish free-range turkey. Working with local suppliers such as JM Bakery and Ewatts Butchers, we let the quality of the ingredients do the talking.

The team is excited to start another festive season and we can’t wait to welcome you to The Rookery this December.”
